Yakima, WA 98901
509-574-1500

HERE'S WHAT'S HAPPENING

Yakima County solid waste is limiting the number of self-haulers and accepting only essential waste. Yard waste is not be accepted at this time.

Benton County solid waste has cancelled all household hazardous waste collections events until further notice. Offices are currently closed until May 5th unless otherwise extended.

Franklin County planning and building has closed to the public. Operating hours are limited to 8AM to noon, Monday through Friday. They are continuing to process existing applications and are accepting new building permit and land use applications that do not require public hearings or meetings. All other applications are not being accepted at this time. Inspections that are not compliant with essential work under the Governor's Proclamation are not being conducted.

Benton: Some bids have been pushed out a bit and there are concerns that if work goes too late it will conflict with the end of summer harvest. It will be essential to get public works up and running as soon as possible.

Workforce

FPHS: On-going infrastructure needs

Impact on County Functions

How Has Responding To The Covid-19 Pandemic Affected County Functions?

- Essential needs – i.e. housing/homelessness, solid waste, broadband, transportation, food scarcity, etc.
- Public Safety
- Budget and Finances

Anticipated Needs Moving Forward

- What are key matters needing attention at the county level in order to dial activities back up?
- What problems do you anticipate as we move into our “new normal?”
- What impacts do you foresee on your county budget, staffing, services, etc.?
- How can counties help restart the economy? What do you need in order to assist?
- What scares you right now and looking ahead?

Questions?

THANK YOU

These slides, a copy of the webinar, and notes from this session will be shared with you as soon as possible.
