How do I access the Amazon Business account free prime benefit?

How to create an Amazon Business account (**ONLY** if you do not currently have an account):

Getting started with an account is very easy (it takes about 5-10 minutes).

1. Register for an account here:
https://www.amazon.com/business/register/org/landing?ref_=footer_retail_b2b
2. Once an account is created you can upload your tax exemption by:
 - a. Logging in and hover over “Hello ___” and selecting tax exemptions and licenses> follow the steps to upload your tax exemption.
 - b. You can leave the vendor field blank.
3. Let your point of contact know when the account is set up and he will equip your account for pay by invoice. You would then have a 10-minute phone call to set up pay by invoice, enable free prime, and answer any questions you might have.

Free Prime Activation Steps:

1. Click on this link: <https://a.co/9YNDxrz>
2. Login to your Amazon Business account
3. Enter this code: FPZUSE
4. Activate Business Prime SMALL OR MEDIUM for \$0 (or if you are actively a business prime member “switch” to a \$0 and receive a prorated refund)

What are the benefits of joining?

FREE Business Prime – **zero cost to ALL members** · Sharper pricing and wider selection vs. Amazon.com · Access to Pay by Invoice · Tax Exemption where applicable
